Sermon Series starting August 9th *Greater Than*

The Book of Hebrews was written to people tempted to look backward, look away, or give up under the weight of cultural pressure and personal exhaustion. Maybe you have felt like that too? This series sets our hearts in a singular truth: Jesus is greater than any alternative, any anxiety, and any old way of trying to do things. By systematically exploring how Christ surpasses everything that came before Him, we discover a Savior who is our ultimate reality, our final sacrifice, and our unshakeable anchor.

RLM Seniors' Purpose Statement: We are a ministry to seniors and through seniors with a heart of service and a commitment to finish well. Our purpose is to more intentionally live out the vision and mission of Real Life Ministries. We want to declare the power of God to the next generation(s) and to love, honor, accept and serve one another.

News from Camp

What Grandpa Scott learned at RLM high school summer camp; God has a sense of humor. Start by putting two adults and eight ninth grade fidgety, testosterone loaded boys in a room the size of my closet. Add five old wooden bunk beds and cohabitate for four days. We were tasked with leading them to the Lord. What could go wrong? Well, I quickly learned what 'herding cats' means. Thank goodness I'm 6 foot and 225 lbs. Size still matters. We did a million activities, over 12,000 steps a day, up before six, to bed after one, and witnessed how many ways boys can poke, prod, needle, toss things, make noise, smirk, wander off, scheme, etc. My \$130 investment in snacks and candy paid off many times to get/divert their attention. Our goal was to create a God focused, respectful, safe, inclusive, family like environment. We succeeded. God's presence was everywhere. I loved the camp and the kids. 110% worth it. Now I have a year to rest up so I can do it all over again.

Laugh Out Loud

Taking great pains to be specific, the new auto-shop teacher on our staff explained to three of his students that he wanted them to clean a car that was parked outside. He gave them two extension cords, the vacuum cleaner, a bucket, rags and the car keys. He mentioned that the car was one to be used in his class.

Later he went out and discovered them sitting in the car, feet up on the dashboard, listening to the stereo. "Why aren't you vacuuming the car?" he asked.

"Because the extension cord wouldn't reach," was the reply.

Exasperated, the teacher stated, "That's why I gave you two."

"We tried the other one," one of them said, "but it wouldn't reach either."
