

# **Communion Preparation/Condensing (Volunteer) Thursday/Sunday Services**

## **Role**

A communion preparation and condensing volunteer assists in the various processes of preparing and 'making ready' the communion elements for services.

## **Expectation**

Volunteers serving in this area have the important task of handling and packaging the communion elements - unleavened bread and juice - into the cups and trays for use during the weekly communion service. Weekly communion refocuses our hearts on Jesus Christ and gives us intentional time to repent and bring worries and cares to the feet of Jesus with the body of Christ.

Each communion preparation volunteer is responsible for preparing or condensing their designated quantity of elements and trays, either on the Wednesday/Thursday preparation teams, or Thursday/Sunday condensing teams.

In addition to the service expectations, volunteers are expected to participate in regular training, celebrations, and other ministry events. Volunteers are encouraged to invite new volunteers to join the team by inviting friends, family, Life Group members, etc. to serve with them. If you have a new volunteer for the team, please have them connect with the Hospitality Ministry Lead.

Personal Expectations:

- Membership
- Attend weekly worship service
- Participate weekly in a Life Group
- Maintain a consistent devotional time with God
- Live obediently to God's Word with your time, talents, and resources

## **Goal**

The communion elements are prepared and ready for service times (Thursday and Sunday) and are able to cover all those attendees who wish to participate in this sacred sacrament.
